

High School Completion Status Documents

Provide **ONE** of the following documents that indicate the student's high school completion status at the time the student begins college for the 2015-2016 academic year:

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student's General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If state law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), submit a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed. The transcript or equivalent must document the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain any one of the documentation listed above, he or she must contact their regional Office of Financial Aid.
