Please select and provide ONE of the following documents that indicate the student's high school completion status at the time the student begins college for the 2016-2017 academic year:

A copy of the student's high school diploma.

A copy of the student's final official high school transcript that shows the date when the diploma was awarded.

A copy of the student's General Educational Development (GED) certificate or GED transcript.

An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.

If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.

If state law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), submit a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed. The transcript or equivalent must document the successful completion of a secondary school education in a homeschool setting.

A copy of DD Form 214 (DD-214, Certificate of Release or Discharge from Active Duty) is acceptable only when a primary document (high school diploma, GED certificate, etc.) is unavailable. The DD-214 must indicate the student is a high school graduate or its equivalent, which is noted on Question 15b on Member Copy 1, 2, or 4.

If the student is unable to obtain any one of the documentation listed above, he or she must contact their regional Office of Financial Aid.
